3. [redacted] telephoned indicating Bryce Harlow had referred to the Director a letter from Representative John W. McCormack concerning [redacted] known to [redacted] and to Legislative Counsel and it was suggested that possibly a method of handling this would be for Legislative Counsel to call Bryce Harlow suggesting that Legislative Counsel brief Mr. McCormack on this orally since possibly some parts of it would be difficult to place in a letter.

4. At the request of Mr. Edward McCabe at the White House, Legislative Counsel met with a group to discuss the Jackson Subcommittee to Study the National Policy Making Machinery. See Memorandum for the Record for full details.

5. In response to a previous call from us, Sam Papich of the FBI called to say that the Bureau was not involved in the case of [redacted] on whom we had a letter from Representative Roman C. Pucinski (D., Ill.). A check was made with Mr. McKensie in the Bureau of Special Counselor's Services, Department of State, who said that the Bureau had the action on all letters on the [redacted] case and would reply to them. Our letter to Representative Pucinski was read to Mr. McKensie over the telephone and he had no objection to the statements made therein.
